## BACKGROUND

AutoRent Hertz is a Tasmanian-owned and operated car, truck and campervan rental business. Owned by more than 90 past and present staff, AutoRent has a long, proud history in the car and campervan hire industry.

## PROJECT

CoreStaff has been servicing AutoRent Hertz since 2013, with casual staff working across the company's seven Tasmanian sites.

Services provided include:

- Weekly presence on each site
- Rostering/notification of all our staff based on a weekly labour request
- Regular supervision and performance management of staff
- Provision of detailed reports against company's KPI's

*"The things that are important to us include the accuracy of rostering, monitoring of the workforce performance and attention to detail in following our queries. Whenever we have experienced difficulties CoreStaff's response has always been positive with very prompt rectification."*
